FYI
From rcmp re border-

The group here took off, likely headed to the city. Possibly another group coming, just waiting. Our presence definitely deterred people. It's all the talk in Facebook

From HRP re Halifax- no blockades

They switched venues to grand parade from p&f Park few hundred on foot

Nothing of note in Bridgewater or Westville I did just see about 100 cars head down Robie st southbound
Nothing much around Legislature-confirmed by Dave Fraser
